

Installation QUADDOA® hardware license on client computer

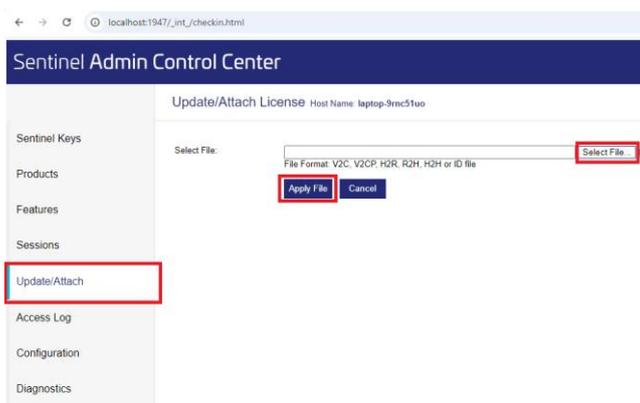

1. Download the **Full version** of **QUADDOA® Optical CAD** (Important: Make sure to download the **QUADDOA® full version** and not the **45 Days Free Trial**) from the QUADDOA® website under <https://quadoa.com/download>
2. **Install** QUADDOA® Optical CAD on your personal computer by following the installation wizard.

3. **Connect the QUADDOA® Optical CAD USB-dongle** to your personal computer.

4. Open the **Update Tab** in the **Sentinel Admin Control Center** with that link http://localhost:1947/_int_/checkin.html

5. Select the **activation.V2C** file that was sent to you by QUADDOA® and click on **"Apply File"**
6. The **USB dongle was activated** and you are now able to **run QUADDOA® Optical CAD**.
