

Updating Quadoa Optical CAD Sentinel Protection License Dongle

Image 1: Sentinel Protection License Dongle

STEP A: Creating Customer to Vendor File (*.C2V) for sending License Dongle information to Quadoa

1. **Insert the Sentinel Protection License Dongle**, for which you would like to have an update
2. **Download** the **Quadoa® License Update Utility** from the Quadoa Download Center. Open the Quadoa® License Update Utility (**Quadoa_License_Update_Utility_GRRZC.exe**)

Image 2: Quadoa_License_Update_Utility_GRRZC.exe

3. Switch to **Collect Status Information**
4. Select the checkbox **Update of existing protection key**, to update the license of the Sentinel Protection License Dongle which is inserted into your computer.
5. Click on **Collect Information**
6. Save the *.C2V -File and send it to Quadoa (info@quadoa.com)
7. Wait for the *.V2C -File which will be sent to you by Quadoa within some days. Afterwards continue with Step B on the next page

➔ Continue on next page to run update file

STEP B: Importing Vendor to Customer File (*.V2C) for updating the Sentinel Protection License Dongle

1. **Insert the Sentinel Protection License Dongle**, which you would like to update (**Important: The Sentinel Protection License Dongle has to be the same License Dongle as in step A**)
2. **Download** the **Quadoa® License Update Utility** from the Quadoa Download Center. Open the Quadoa® License Update Utility (**Quadoa_License_Update_UTILITY_GRRZC.exe**)

Image 3: Quadoa_Update_RUS_GRRZC.exe

3. Switch to **Apply License File**, to import the *.V2C -File
4. **Browse** to the ***.V2C -File** which you received from Quadoa and select it
5. Click on **Apply Update**, to update the Sentinel Protection License Dongle
6. Your Sentinel Protection License Dongle has been successfully updated
